

DECLARATION OF PURPOSE

1. This plat results from an action initiated by the owner of Tracts 12 and 13 of Sable Run subdivision, Dale and Sue Jackson, to relocate that portion of Canyon View Drive adjacent to, and lying between, said tracts. As set forth by the original plat, and recited in their petition to the Board of County Commissioners, the 60-foot wide road right-of-way was dedicated to the use of the public for access, surface drainage and utility purposes. Exhibits accompanying the petition described and depicted the proposed relocation to be 60 feet west of the original location on the south, at Rimrock Drive, and rejoining the original location by angle points replacing a curve, approximately 375 feet northeasterly.

2. Their request was reviewed by the planning office and planning commission and recommended for approval. Their petition was granted by the Board of County Commissioners on 7 February 2012, per records on file at the office of the Hot Springs County Clerk and Ex-Officio Register of Deeds.

3. Upon recordation of this plat the designations Tracts 12A and 13A, Sable Run, will replace Tracts 12 and 13, without further action beyond this plat and notation.
